## Polished Mosaic Tile

The image shows *MG974 Golden Flower*.

### DESCRIPTION

**ARTISTIC COLLECTION** provides a variety of attractive neutral hues and contemporary shapes together with the sought-after attraction of natural stone. These gorgeous tiles enhance the appearance of interior spaces by offering elegance and refinement while being warm and inviting. Mosaic tiles from the artistic series have a polished finish for a consistent, smooth surface. The mosaic tiles have a mesh backing for ease of installation. Perfect for a wide range of applications in residential and commercial areas, including backsplashes, accent walls, shower surrounds, and fireplace surrounds. With J&L's Artistic Collection, creating your own stunning retreat has never been simpler.

### APPLICATIONS

**Artistic Collection** is ideal for an interior application on walls and floors in your residential and commercial projects.

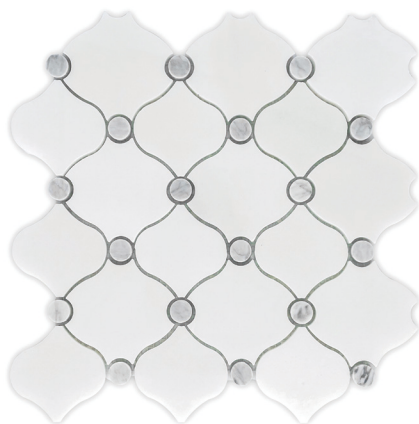

### INSTALLATION AND MAINTENANCE

- It is suggested to lay tiles with a joint of 1/16" - 1/8". As soon as the joints have fully set, it is advisable to proceed to the initial post-construction cleaning as described by the manufacturer. For white and light-colored tiles, use white mortar.
- Daily maintenance can be performed with a neutral detergent.

# CULTURE STONE

Matt Mosaic Tile

The image shows FS014 6x22 MINNESOTA CAYON CHARCOAL.

## DESCRIPTION

**CULTURE STONE COLLECTION** with a rustic theme will highlight the cosiness a fireplace brings to your house. White, beige, grey, and charcole are earthy colours that create a warm, mountain-cottage atmosphere. For a more contemporary and urban feel that lets the warmth of the fire shine through, chic, neutral-colored tiles are great.

## APPLICATIONS

**CULTURE STONE COLLECTION** is ideal for an interior application on walls in your residential and commercial projects.

## INSTALLATION AND MAINTENANCE

- It is suggested to lay tiles with a joint of 1/16" - 1/8". As soon as the joints have fully set, it is advisable to proceed to the initial post-construction cleaning as described by the manufacturer. For white and light-colored tiles, use white mortar.
